BATRIK

SAVEFACE™ DRAPED SHIELDS

SUPERIOR DECONTAMINATION PROTECTION

In the Central Sterile Supply Department (CSSD), personal safety is paramount. Our Draped Face Shield provides essential protection during high-risk instrument decontamination. **SAVEFACE™** Draped Face Shields drastically reduce harmful exposure to caustic chemicals as well as the risk of cross-contamination. Effective face protection is non-negotiable. Wear **SAVEFACE™** Draped Face Shield with confidence.

SF-240

SF-8240

ANSI/AAMI PB70 LEVEL 3 COMPLIANT DRAPE

Provides a high level of fluid penetration protection. Includes closing system to reduce risk of fluid contact from below the shield.

EXTRA-LONG 9”/23 CM WRAP-AROUND SHIELD

Ensures full coverage, reducing the risk of exposure from different angles.

ADAPTIVE COMFORT

The soft, self-shaping foam headpiece molds comfortably to your forehead, allowing for extended wear without discomfort.

OPTICAL CLARITY WITH ANTI-FOG AND ANTI-GLARE

UKAS PRODUCT CERTIFIED

WHY CHOOSE SAVEFACE™ DRAPED SHIELDS

BATRIK face shields are independently certified to comply with the PPE Category 2 standard, a mandatory requirement for many facilities.
